Executive summary of audit report
<p>The auditee was located at No. 188, Huishui Road, Luotuo, Zhenhai District, Ningbo, Zhejiang, China (浙江省宁波市镇海区骆驼街道汇水路188号). In the same boundary, there were one 6-storey dormitory building (1F as canteen), three 3-storey production buildings and five flat steel buildings extensively constructed based on three original production buildings, total area more than 25000 square meters. Based on lease contract review and on-site observation, partial areas (about 1500 square meters) of 1F of the middle 3-storey building were leased to one coating factory by the auditee, which was the coating subcontractor of auditee also (It owned independent business license and about 60% products were supplied to auditee). Confirmed through document review, on-site observation and worker interview, two factories were independent in shareholders, management and did not share workers, so this audit did not cover the lease area. The kitchen had not been used since # COVID-19 outbreak. The auditee' products were Umbrella, Gazebo and Green house. The production processes were metalworking (including cutting, punching, welding, grinding etc.), coating, cutting, sewing, assembly and packing. The coating was subcontracted to another factory and no contractor was used by auditee. Based on management interview and document review, there was no obvious peak season in past 12 months. All workers including security guards were recruited by the factory directly. No dispatched workers, student workers and temporary workers were identified. The management was cooperative in whole audit. They allowed auditor to visit all their areas and take photos freely, provided documents timely and auditor could select workers to interview freely. Finally, the management agreed all findings raised by auditor in closing meeting and signed the CAP.</p> <p>Remark:</p> <ol style="list-style-type: none"> 1. No photos of contractor contract, agency labor contract, government waiver, collective bargaining agreements and environmental permit were taken due to no contractors and agencies were used, no government waiver was obtained, no collective bargaining agreements were available and no environmental permit was required for the auditee at present. 2. The auditor's (Vicky Li) APSCA No. is RA 21701919.
